The Lincoln Academy New Scholar Enrollment Period Open Through February

BELOIT, Wis - The Lincoln Academy (TLA) is currently accepting new scholar enrollment applications for the 2026-2027 school year. Enrollment applications are open to any Wisconsin family with school aged children (K4 through 12th grade) until midnight on February 28, 2026. TLA is a public school. There is no tuition or cost to attend. Enrollment is open to everyone with a Wisconsin home address. Families can apply online at www.thelincolnacademybeloit.com or by appointment in person at the school by calling the main office at (608) 690-5100.

The enrollment application process for TLA is the same as it is for any public school in the state. In addition to filling out the application, families will need to submit both proof of Wisconsin residency and review of a birth certificate for the enrolling scholar.

If more applications are received than there are seats available, a public, random lottery will be held in March 2026 to determine enrollment for the available seats and the waitlist order for the coming year. Only completed applications received by midnight on the last day of February are eligible for the lottery process. Children that are currently three years old but will be four years old on or before September 1, 2026 are eligible to apply.
