The Lincoln Academy Board Formally Approves Expansion Plans

BELOIT, Wis - The Lincoln Academy (TLA) Board of Directors has officially approved moving forward with campus expansion, following action taken at its February 4, 2026 meeting. The decision moves TLA beyond feasibility work and into the next phase of design and implementation, shaped by months of planning and community engagement focused on meeting growing demand and broadening educational opportunities.

This milestone marks a significant step forward in TLA's vision to expand access to high-quality, college- and career-focused education for families across the region. The expansion will enable TLA to increase capacity, enhance extracurricular and athletic opportunities, and create new spaces aligned with its strategic vision.

With sustained enrollment growth and a significant wait list, expansion will allow TLA to serve more families while strengthening its educational model. The Board's approval signals confidence in the long-term vision, financial planning, and community partnerships supporting the project.

As part of TLA's ongoing commitment to transparency and community engagement, additional details and timelines will be shared as plans progress. Families and community members are encouraged to visit <https://www.thelincolnacademybeloit.com/expansion-faq> for the most up-to-date information.

The Lincoln Academy is a K4-12 free public charter school focused on rigorous academics, character development and career exploration.
